

MESSAGE FROM THE PRINCIPAL

I would like to congratulate the students and teachers for bringing up first volume of school newsletter which shall bring forth the endeavour of the students of the school in different fields for the stakeholders. The school strives to impart knowledge, skills and attitudes which enable students to face their future challenges with confidence.

The school nurtures students to culture and refine the organisation and rendition of various potential skills philologically through education. Our efforts are for consolidation of values, Creativity, Spirituality and Discipline to discover ingenuity, strength as an asset to encourage progress and accomplishment in all walks of life. I would like to wish the students to seek inspiration and apprehension to become successful and enterprising citizens of the country. With best compliments, I wish you a happy and fruitful future.

EMPOWERING TEACHERS- Jay Jyoti School, Jaypee Nagar, Rewa organises Seminars,

Workshops and Teaching Skills oriented programmes regularly for the proper up gradation of teachers. In present session we conducted a workshop for the empowerment of the teachers in the month of June where all the teachers presented Power Point on “**Experimental Learning**” under the supervision of Dr. A.P. Tyagi Ji, Administrator (Education).

The School has been assigned the responsibility of **Lead Collaborator** School under the Hubs of Learning (HoL) by CBSE. We conducted a workshop for Science teachers on “**Joyful Teaching of Science**” for its member schools on 12th Sept. 2019 for their professional enhancement. Six schools from Rewa participated in the workshop. Principals of the member schools were also present in the workshop. Members of lead collaborator schools were trained for developing pedagogical plan for the respective schools.
